

# The Greatest

James Blunt

Too much to say  
Too much to lose  
I get frustrated thinking 'bout the world I brought you to  
It's a battle of time  
That I have with you  
But don't decide to have the win or if we'll make it through

I feel like you deserve a chance to know the truth and to be better than  
The ones who came before you only to let pride and money weaken them

So be the young, the brave, the powerful  
'Cause the world is standing waiting for someone to come and change it  
Yeah, be the young, the brave, the powerful  
'Cause we need a soul to save us  
Need someone to be the greatest

So many words  
Veiling the truth  
The others turning and it's time for us to choose  
And people will try  
To take you down too  
But if I was a betting man, I'd put all my money on you

I know that I have nothing left to give to you to make you better than  
The man I failed to be, the friends and father that I know I should have been

So be the young, the brave, the powerful  
'Cause the world is standing waiting for someone to come and change it  
Yeah, be the young, the brave, the powerful  
'Cause we need a soul to save us  
Need someone to be the greatest

Nobody knows what to say (Oh no)  
Nobody shows you the way (Oh no)  
Some times it's hard to see  
Who you're gonna be

So be the young, the brave, the powerful  
'Cause the world is standing waiting for someone to come and change it  
Yeah, be the young, the brave, the powerful  
'Cause we need a soul to save us  
Need someone to be the greatest  
Be the young, the brave, the powerful  
'Cause the world is standing waiting for someone to come and change it  
Be the young, the brave, the powerful

'Cause we need a soul to save us  
Need someone to be the greatest love
