

# Ain't That a Groove

James Brown

When you and your baby are tight  
And everything you say or do is mellow  
She keeps everything all right  
And you know that you're the only fellow  
Ain't that a groove, ain't that a groove  
Ain't that groove, ain't that a groove  
Now look here fellows  
Girls like to be in a mood  
Whenever they think their man is yellow  
Hit me band You fight real hard  
To make things right 'cause he's the only fellow  
Now ain't that a groove  
Ain't that a groove do you hear me people  
Ain't that a groove, ain't the a groove  
Look you here I want to know do you love me, yes I love you  
One more time, do you love me, yes I really, really do  
Do you love me baby, yes I love you  
I just gone, gotta . . . know  
Hit me band  
One more again  
Look you here  
I got to tell you, dig this  
This will kill you  
A little piece of money and plenty of love  
Will keep everything together, come on band  
Well forget about the money  
Plenty of love and ain't that mellow  
Now ain't that a groove, it's go groovy  
Ain't that a groove, it's so groovy  
Ain't that a groove, it's so groovy  
Ain't that a groove  
Look here, I'm not gonna talk all day  
But 1, I wanted to get the feeling  
One more time  
Hit me band, listen to that band  
I want to ask them  
Do you love me, yes I love you  
Do you love me baby, yes I love you  
Do you love me, yes I love you  
I just gotta, gotta . . . know  
Hey ain't that a groove  
Ain't that a groove let me count  
One for the meney, two for the show  
Ain't that a groove now here we go  
Goin'on, and one more thing  
I want to say, this is better than cushions
