

# Baby You're Right

James Brown

You think I love you  
Well, baby, you're right  
You think I wanna hug you

I wanna love you  
I wanna hug you  
'Cause I, yeah  
I need you so bad, yeah  
So come on, just me and you

I wanna love you  
I wanna hug you  
'Cause I need you so bad  
But I can't get you  
It makes me so mad

If you think I want you  
Well, baby, you're right  
If you think I wanna haunt you  
Well, baby, you're right

I wanna love you  
I wanna hug you  
'Cause I, yeah  
Just need you and  
Everything gonna be all right  
Yeah

I wanna love you  
I wanna hug you  
'Cause I'm so bad  
When I can't get you  
It makes me so mad

Everybody got to believe it  
Just me and you, baby  
I believe everything will  
Be all right one more time, yeah

I wanna love you  
I wanna hug you  
'Cause I need you so bad  
But I can't get you  
It makes me so mad, yeah

Whoa, yeah  
Come on
