Funky Drummer

James Brown

Come back, cover
Shades, good God
It's a raid

Cut off the lights And call the law Cut off the lights And call the law

Standing over there
The devil's on his way

Call the law
Call the law
The devil's on his way

Bring on the juice Bring on the juice Bring on the juice Bring on the juice Make me sweat

Still good It's still good Still good It's still good

Turn over Turn over Turn over

Take me in the chain Take me in the chain Take me in the chain

Tall women
Is all I need
Tall women
Is what I want

One more time
I wanna give the drummer
Some of this funky soul
We got here

You don't have to do No song, brother Just keep what you got Don't turn it loose Cause it's a mother

When I count to four
I want everybody to lay off
Let the drummer go
When I count to four
I want you to come back in

I got to holler
I said it's in my feet
Feels so sweet
It's in my shake, good God
About to work me to death

It's in my shake
About to work me to death
It's in my shake
I'm about to blow
I'm about to blow

One, two, three, four Get it

Ain't it funky
Ain't it funky
Ain't it funky
Ain't it funky
One, two, three, four
