

I Love You, Yes I Do

James Brown

I love you, yes, I do
I love you, yes, I do
I'm yours my whole life through
Since I first laid eyes on you

You love me, yes, you do
You need me, I need you
I'm yours my whole life through
I love you, yes, I do

I guess you knew it from the start
From the day you took my heart
You're the one girl, I'll always admire

Darling, you're my guiding star
I must be forever where you are
You set my world on fire

I love you, yes, I do
I need you, yes, I do
I'm yours my whole life through
Since I first laid eyes on you

I know you know it's true
I love you, yes, I do
I love you, yes, I do
