

## I Love You, Yes I Do

James Brown

I love you, yes, I do  
I love you, yes, I do  
I'm yours my whole life through  
Since I first laid eyes on you

You love me, yes, you do  
You need me, I need you  
I'm yours my whole life through  
I love you, yes, I do

I guess you knew it from the start  
From the day you took my heart  
You're the one girl, I'll always admire

Darling, you're my guiding star  
I must be forever where you are  
You set my world on fire

I love you, yes, I do  
I need you, yes, I do  
I'm yours my whole life through  
Since I first laid eyes on you

I know you know it's true  
I love you, yes, I do  
I love you, yes, I do
