

Just Won't Do Right

James Brown

Since you've been gone
I drink and gamble every night
Girl, I drink and gamble every night
Whoa, oh, oh, oh, oh
Just won't do right

Tell me, tell me, tell me, tell me, tell me
Am I the one?
Tell me, tell me, tell me, tell me, tell me
Am I the one?
Tell me, tell me, am I the one?

Since you've been gone
I've been all alone
Waitin' and watchin' for you, oh
My heart is cryin', slowly I'm dyin'
Still I'm feelin' for you
(Still, still, still you, baby)

Oh, I drink and gamble every night
Whoa, oh, oh, oh, oh
Just won't do right
Too-dup, woo-oo, why
