

## Love or a Game

James Brown

One of these days  
You gonna miss me  
So many ways  
Lord have mercy  
You gonna miss me  
I wanna know  
Is it love, is it a game

And if it's love  
Can I, can I explain  
Tell me, Lord have mercy  
You know you told me  
That you love me  
That your love I'll always share  
But now baby hey  
You showed me  
'Bout your love, my love  
Will we compare  
I wanna know  
Is it love, is it a game

And if it's love  
Can I, can I explain
