

## Nature Boy

James Brown

Sometimes I get a little lonely  
And sometimes I get a little blue

There was a boy  
A very strange enchanted boy  
They say he wandered very far, very far  
Over land and sea  
A little shy and sad of eye  
But very wise was he

And then one day  
A magic day he passed my way  
And while we spoke of many things  
Fools and kings  
This he said to me  
The greatest thing you'll ever learn  
Is just to love and be loved in return

The greatest thing you'll ever learn  
Is just to love and be loved in return  
Sometimes I get a little, a little, a little lonely

And sometimes, sometimes I get a little blue  
The greatest thing is just to love and be loved in return
