

Stoned to the Bone

James Brown

Ooh, ooh, ooh
I got a good thing
Ain't gonna give it up
I got a mighty good thing
Ain't gonna give it up

Girl I got just won't quit
She won't stop loving
For just a little bit

She's fine as wine
She's just my kind
That ever so fine
Wanna make me blow my mind

I got a good thing
Ain't gonna give it up
I got a mighty good thing
Ain't gonna give it up

She knows how to love me
When I'm feeling bad
She knows how to send me
She makes me feel so glad

She's my sex machine
She knows just what to do
She knows how to love me

Squeeze me when I'm feeling bad
Log on to Top40db.
She knows how to send me
She make me feel so glad

I got a good thing
I ain't gonna let her go
I got a pretty good thing
Ain't gonna give it up

She knows how to love me
When I'm feeling bad
She knows how to send me
She makes me feel so glad

She picks me up
Never lets me down
She brings me up

Hey, I got a mighty good thing
Ain't gonna give it up
Know I got my sex machine
Ain't gonna give it up

Do you want a good thing
Don't have to give it up
Do you need a good thing
Ain't gonna give it

Everybody got a good thing
They ain't gonna give it up
It's my thing
I ain't gonna give it up

My thing
I will not give it up
It's my thing
I ain't gonna give it up

Can I holler, let me know
Can I holler, can I holler
Can I holler, can I holler
Can I holler, let me holler

Ooh, ooh, ooh
Ooh, ooh, ooh

Hey, hey, hey
I wanna play funky....
