

# That's When I Lost My Heart

James Brown

Woke up this morning baby was gone  
Just so bad I was all alone  
I lost my baby  
That's when I, I lost my heart

She, she said she loved me  
What a way to take me  
Told her I wouldn't, I wouldn't understand  
I lost my baby  
That's when I, I lost my heart

(When I) I lost everything I had  
Baby went I lost you  
And you, you made me (you made me) feel so bad  
You just won't be true

Baby you are on my mind  
You're leaving me  
I don't feel so vague in mind  
I lost my baby  
That's when I, I lost my heart  
You know

(When I) I lost everything I had  
Baby went I lost you  
And you, you made me (you made me) feel so bad  
You just won't be true

Baby you are on my mind  
You're leaving me  
I don't feel so vague in mind  
I lost my baby  
That's when I, I lost my heart  
You know

That's when I lost my heart
