

# There It Is

James Brown

Ow, there it is

Hey, soul, soul  
Need a taste  
Mine is right, yeah  
In the right place

You're doing your do  
Like you want to be  
Give up trying  
To run the game on me

Then dig it  
From the real side  
Stand, sure enough  
To be satisfied

Meet be at the big house  
Get down  
Let everybody know  
Let everybody know

My main squeeze  
Just hit the town  
Get up and do what, what you can  
Get up and do what you can

For the world to see  
Games don't mean  
Nothing to me

You can't run a game on me  
Don't need to thank me  
Don't mean a thing  
Hey, hit it, come on, uh

Playing in the car  
Wipe the sweat  
Gonna have some fun  
Time's getting short

We got to move  
But in the meantime  
Mama, we got to groove, hey

Long as you see  
Can't run a game on me  
Long as you see  
Games don't mean a thing to me  
Long as you see

Hey, hey  
Hey, hey  
Hit it

Hit it, hit it  
Hit it, hit it, hit it

Well, then dig it  
From the real side  
Stand, sure enough  
And be satisfied

Meet at the big house  
Where we all get down  
Let everybody know  
The main man just hit the town

Got a mean man  
We got a mean man  
I wanna see the man scream  
I got the mean man
