Got No Time For Trouble

James Gang

Take your empty headed stare
Give it to the Stars
Take your lean 'n hungry love

Take your lonely Heart
and Give it to someone
Who's got time to care

I don't think that you'll go under
You're just tryin' to raise some thunder

Ain't Got No Time for Trouble
I got plenty of my own
Ain't got no time for trouble
I got plenty of my own
Ain't got no time for trouble
All ya do is sit and moan

Ain't got no time for trouble
I got plenty of my own

I'm so busy drownin'
There is no way
I could bouy (pull) you up

I'm so busy drownin'
There is no way
I could bouy you up

I don't think that you'll go under
You're just tryin' to raise some thunder

No Time for Trouble
