

## Things I Could Be

James Gang

Well, I wake up  
Wonderin' how long I've been here  
Daylight  
Wipin' the night from my eyes  
Wake up  
New day is gonna bring good times  
Daylight  
Hopin' to see the sun rise

Drivin'  
Gotta catch up to the next town  
Flyin'  
Ten thousand people to find  
Drivin'  
Makin' up time on the freeway  
Flyin'  
Leavin' the last town behind

Well, I'm tired  
Tossin' and turnin' 'til sleep comes  
Sleepin'  
Dreamin' of places to see  
Tired  
Shakin' my head 'til the peace comes  
Sleepin'  
Dreamin' of things I could be
