Things I Could Be

James Gang

```
Well, I wake up
Wonderin' how long I've been here
Daylight
Wipin' the night from my eyes
Wake up
New day is gonna bring good times
Daylight
Hopin' to see the sun rise

Drivin'
Gotta catch up to the next town
Flyin'
Ten thousand people to find
Drivin'
Makin' up time on the freeway
Flyin'
Leavin' the last town behind

Well, I'm tired
Tossin' and turnin' 'til sleep comes
Sleepin'
Dreamin' of places to see
Tired
Shakin' my head 'til the peace comes
Sleepin'
Dreamin' of things I could be
```
