

# White Man / Black Man

James Gang

White man, Black man  
Listen to me  
Hear what I've got to say  
You've got to learn to live together  
Right now  
Right away  
Before it's too late  
Before it's too late  
Black man forget the hate  
That's been around so long  
White man you've got to know  
That sometimes you've been wrong  
About your brother  
'Cause he's a good man  
You know he's just like you  
The time's gonna come  
The time's gonna come

Before it's too late  
Before it's too late  
Sometimes I get the feelin'  
That it's never gonna end  
When a brother  
And a sister  
Somehow become friends  
To love each other  
Is a good thing  
And to know is to love  
You've got to love one another  
You've got to learn to live together  
You've got to love one another  
You've got to learn to live together
