

For All We Know

James Ingram

For all we know, we may never meet again
Before you go make this moment sweet again
We won't say good night until the last minute
I'll hold out my hand and my heart will be in it

For all we know, this may only be a dream
We come and we go like the ripples of a stream
So love me, love me tonight, tomorrow was made for some
Tomorrow may never come, for all we know

We may never, never meet again, for all we know
So why don't we take time for one another?
Be kind to one another, oh, love one another
For all we know

For all we know
