

So This Is Love

James Ingram

So this is love mmm...
so this is love
So this is what makes life divine
I'm all aglow, mmm...
And now I know
The key to all heaven is mine

My heart has wings, mmm...
And I can fly
I'll touch ev'ry star in the sky
So this is the miracle
that I've been dreaming of
mmm...
So this is love

So this is mmm...
so this is you.
So here's where two hearts become one,
we know it's real, and yes, it's true,
our love has only begun.
