

Don't Cry For Me Argentina

James Last

It won't be easy, you'll think it strange When I try to explain
how I feel That I still need your love after all that I've done
e

You won't believe me All you will see is a girl you once knew A
lthough she's dressed up to the nines At sixes and sevens with
you

I had to let it happen, I had to change Couldn't stay all my li
fe down at heel Looking out of the window, staying out of the s
un

So I chose freedom Running around, trying everything new But no
thing impressed me at all I never expected it to

Don't cry for me Argentina The truth is I never left you All th
rough my wild days My mad existence, I kept my promise Don't ke
ep your distance

And as for fortune and as for fame I never invited them in Thou
gh it seemed to the world they were all I desired

They are illusions They're not the solutions they promised to b
e The answer was here all the time I love you and hope you love
me Don't cry for me Argentina

Don't cry for me Argentina The truth is I never left you All th
rough my wild days My mad existence, I kept my promise Don't ke
ep your distance

Have I said too much There's nothing more I can think of to say
to you But all you have to do is look at me to know That every
word is true
