## **Don't Cry For Me Argentina**

## **James Last**

It won't be easy, you'll think it strange When I try to explain how I feel That I still need your love after all that I've don e

You won't believe me All you will see is a girl you once knew A lthough she's dressed up to the nines At sixes and sevens with you

I had to let it happen, I had to change Couldn't stay all my li fe down at heel Looking out of the window, staying out of the s un

So I chose freedom Running around, trying everything new But no thing impressed me at all I never expected it to

Don't cry for me Argentina The truth is I never left you All th rough my wild days My mad existence, I kept my promise Don't ke ep your distance

And as for fortune and as for fame I never invited them in Thou gh it seemed to the world they were all I desired

They are illusions They're not the solutions they promised to b e The answer was here all the time I love you and hope you love me Don't cry for me Argentina

Don't cry for me Argentina The truth is I never left you All th rough my wild days My mad existence, I kept my promise Don't ke ep your distance

Have I said too much There's nothing more I can think of to say to you But all you have to do is look at me to know That every word is true
