

## Theme From A Summer Place

James Last

There's a summer place Where it may rain or storm Yet I'm safe  
and warm For within that summer place Your arms reach out to me  
And my heart is free from all care

For it knows There are no gloomy skies When seen through the ey  
es Of those who are blessed with love

And the sweet secret of A summer place Is that it's anywhere Wh  
ere two people share All their hopes All their dreams All their  
love

There's a summer place Where it may rain or storm Yet I'm safe  
and warm In your arms, in your arms In your arms, in your arms  
In your arms, in your arms
