## What Now My Love

**James Last** 

What now my love, now that youve left me How can I live through another day Watching my dreams turn to ashes And my hopes turn to bits of clay

Once I could see, once I could feel Now I am numb, Ive become unreal I walk the night, without a goal Stripped of my heart and my soul

What now my love, now that its over I feel the world falling all around me Here come the stars, tumbling around me Theres the sky, where that sea should be

What now my love, now that youre gone
Id be a fool to go on and on
No one would care, no one would cry
If I should live if I should live or die

What now my love, now there is nothing Only my last, my last good-bye
