

# Rest In Peace

James Marsters

I died so many years ago  
You can make me feel like it isn't so  
And why you come to be with me  
I think I finally know  
Hmmm...

You're scared, ashamed of what you feel  
And you can't tell the ones you love  
You know they couldn't deal  
Whisper in a dead man's ear  
It doesn't make it real

That's great  
But I don't want to play  
'Cause being with you touches me  
More than I can say  
And since I'm only dead to you  
I'm saying stay away  
And let me rest in peace

Let me rest in peace  
Let me get some sleep  
Let me take my love and bury it  
In a hole six foot deep  
I can lay my body down  
But I can't find my sweet release  
So let me rest in peace

You know you got a willing slave  
And you just love to play the part  
And you might misbehave  
But till you do I'm telling you  
Stop visiting my grave  
And let me rest in peace

I know I should go  
But I follow you like a man possessed  
There's a traitor here beneath my breast  
And it hurts me more than you've ever guessed  
If my heart could beat it would break my chest  
But I can see you're unimpressed  
So leave me be and

Let me rest in peace  
Let me get some sleep  
Let me take my love and bury it  
In a hole six foot deep  
I can lay my body down  
But I can't find my sweet release  
Let me rest in peace  
Why won't you let me rest in peace?
