

# Up On Me

James Marsters

I know you  
Are tryin' to help me  
When you say the things you say  
But my head  
Can't wrap around it  
That there could be another way

Open your eyes  
Now you can see  
I'm on my knees  
I'm hopeless  
You can give  
Up on me  
It ain't no thing  
Anyway

I've played my hand  
Cast my lot in  
Now there ain't no looking back  
But what that's done  
And where it leaves us  
Oh, my God it's looking black

Open your eyes  
Now you can see  
I'm on my knees  
I'm hopeless  
You can give  
Up on me  
It ain't no thing  
Anyway

Come to me  
And lay your head down  
Close your eyes and fall with me  
I won't think  
About tomorrow  
'Cause tonight I'm feelin' free

Layin' with me  
Girl can you see  
I'm on my knees  
I'm hopeless  
You can give  
Up on me  
It ain't no thing  
Anyway

Open your eyes  
Now you can see  
I'm on my knees  
I'm hopeless  
You can give  
Up on me  
It ain't no thing  
Anyway
