

# All Around the World

James Morrison

So, the road's too hard to see  
It's like we've got our eyes closed  
I don't know where it leads  
I guess that we don't want to know

And we play these silly games  
I don't wanna play no more  
Yes I know to the sky  
Holding my hand  
Wipe the tears from your eyes

Yes we can try a little more  
Don't lose hope until the love's gone  
And all around the world  
There is love until the hope's gone

And we're drowning in our tears  
Even though we're standing still  
I've sink you my fears  
Thinking that we're all alone

And we try to fix it all  
Like we're all magicians  
It's OK to let it go  
You only have to feel  
What you already know

Yes we can try a little more  
Don't lose hope until the love's gone  
And all around the world  
There is hope until the love's gone

Lalalalalalalalala lalala

Love until the hope's gone

We are the army and we're burning into flames  
We fight to hold on to but we blew it all the same

Yes we can try a little more  
Don't lose hope until the love's gone  
And all around the world  
There is hope until the love's gone

Lalalalalalalalala lalalala  
Lalalalalalalalala lalalala

Love until the hope's gone  
Love until the hope's gone  
Love until the hope's gone  
Love until the hope's gone

We can try, we can try  
We can try to love until the hope's gone  
Love until the hope is gone
