

# The Last Goodbye

James Morrison

I don't believe you  
And I never will  
Oh I can't live by your side  
With the lies you've tried to instill  
I can't take anymore  
I don't have to give you a reason  
For leaving this time  
Coz this is my last goodbye

It's like I hardly know you  
But maybe I never did  
It's like every emotion you showed me  
You kept well hid  
And every true word that you ever spoke  
Was really deceiving  
Now I'm leaving this time  
Coz this is my last goodbye

I've gotta turn and walk away  
I don't have anything left to say  
I haven't already said before  
I've grown tired of being used  
And I'm sick and tired of being accused  
Now I'm walking away from you  
And I'm not coming back
