

# Up

James Morrison

How can I find you  
When you're always hiding from yourself  
Playing hide and seek with me  
Till it gets too dark  
Too dark, inside your shell  
Why do I even try  
When you take me for granted?  
I should know better by now  
When you call I already hear that crashing sound  
As it all falls down

It's never too late to turn it back around  
Yeah I know you can  
Don't bury your demons deep in the ground  
When it all falls down  
The only way is up, up, up  
The only way is up, up

I watch your spirit break  
As it shatters into a million pieces  
Just like glass I see right through you  
And your parade of excuses  
Feels like groundhog day  
You say the same things over and over  
There's that look in your eye  
And I hear that crashing sound  
As it all falls down

It's never too late to turn it back around  
Yeah I know you can  
Don't bury your demons deep in the ground  
When it all falls down  
The only way is up, up, up  
The only way is up, up

It's your love that's strong  
It's the only thing that keeps me holding on  
It's your heart that's weak  
But it's not too weak to bring you back to me

It's never too late to turn it back around  
Yeah I know you can  
Don't bury your demons deep in the ground  
When it all falls down  
When it all falls down  
It's never too late to turn it back around  
When it all falls down  
The only way is up  
The only way is up, up, up  
The only way is up, up  
When it all falls down
