

# Wonderful World

James Morrison

capo I

1. I've been down so low people look at me and they know  
They can tell something is wrong  
Like I don't belong  
Well, staring through a window standing outside there just to happy to care tonight  
I wanna be like them but I'll mess it up again  
I tripped on my way in, got kicked outside, everybody saw

R: And I know that it's a wonderful world  
But I cant feel it right now  
Well, I thought I was doing well but I just want to cry now  
Well I know that its a wonderful world from the sky down to the sea  
But I can only see it when you're here, here with me

2. Sometimes I feel so full of love it just comes spilling out  
It's uncomfortable to see I give it away so easily  
But if I had someone I would do anything I'd never never never never let you feel alone  
I wont, I wont leave you on your own  
Who am I to dream, dreams are for fools, they let you down

R:  
And I wish that I could make it better  
I'd give anything for you to call me  
Maybe just a little letter  
Oh it could start again

R:  
And I know that its a wonderful world  
I cant feel it right now  
I got all the right clothes to wear I just wanna cry now (cry now )  
I know that it's a wonderful world from the sky down to the sea  
But I can only see it when you're here, here with me  
And I know that it's a wonderful world  
When you're with me
