

You Give Me Something

James Morrison

1. You only stay with me in the morning
You only hold me when I sleep
I was meant to tread the water
Now I've gotten in too deep
For every piece of me that wants you
Another piece backs away

R: Cause you give me something that makes me scared alright
this could be nothing but I'm willing to give it a try
Please give me something coz some day I might know my heart

2. You already waited up for hours
Just to spend a little time alone with me
Like I said, I've never bought you flowers
I can't work out what they need
I never thought I'd love someone
that was someones else's dream

R:

But it might be a second too late
The words that I could never say
Are gonna come out anyway

Cause you give me something that makes me scared alright
this could be nothing but I'm willing to give it a try
Please give me something...

R:

Know my heart, know my heart, know my heart
Mm....m
