

# I Don't Want To Wish I Had

James Otto

I don't want to one day look back on my life  
Sayin why didn't I do all I could have done  
Cause life's too short and death's too long  
And before you know it the time is gone  
And there just ain't way to ever get it back

Oh, I'd trade my fear and all my pride  
For a life with no regrets  
And every tear that ain't been cried for what hasn't happened yet  
And if I try but fail  
I know I can be at peace with that  
So while I live  
I'm gonna live without holding back  
Cause I don't want to wish I had

So let me tell you somethin that's been on my mind  
All my dreams come alive each time that I'm with you  
Every word I meant to say up to now has been locked away  
And damn the consequences here I go

Oh I'd trade my fear and all my pride  
For a life with no regrets  
And every tear that ain't been cried for what hasn't happened yet  
And if I try but fail  
I know I can be at peace with that  
So when I love  
I'm gonna love without holding back  
Cause I don't want to wish I had

So I'd trade my fear and all my pride  
For a life with no regrets  
And every tear that ain't been cried for what hasn't happened yet  
And if I try but fail  
I know I can be at peace with that  
So when I love  
I'm gonna love without holding back  
Cause I don't want to wish I had  
No, I don't want to wish I had
