

# Hammerhead

James Reyne

Be my ritual  
Be my one desire  
Be my light be my pure delight  
Be my purifier

You'll never know what you do to me  
Five times a day  
My self destruction you'll oversee  
Don't go don't go away

Just a touch of you  
Just a taste  
Like kissing God is what we do  
Let's go to waste

You'll never know what you do to me  
So sublime  
You're like the Devil in Heaven  
Every every time

You've been hanging with the nicest people  
Hammerhead  
Some silken slip of evil  
Hammerhead

Take food from my mouth  
Take my sex  
Take my friends take my lovers  
Here take this

You'll never know what you do to me  
Maybe I'm wrong  
Let's take this journey together  
Please come please come along  
Please come please come along

You've been hanging with the nicest people  
Hammerhead  
Some silken slip of evil  
Hammerhead

Ooh, ooh
