

Hammerhead

James Reyne

Be my ritual
Be my one desire
Be my light be my pure delight
Be my purifier

You'll never know what you do to me
Five times a day
My self destruction you'll oversee
Don't go don't go away

Just a touch of you
Just a taste
Like kissing God is what we do
Let's go to waste

You'll never know what you do to me
So sublime
You're like the Devil in Heaven
Every every time

You've been hanging with the nicest people
Hammerhead
Some silken slip of evil
Hammerhead

Take food from my mouth
Take my sex
Take my friends take my lovers
Here take this

You'll never know what you do to me
Maybe I'm wrong
Let's take this journey together
Please come please come along
Please come please come along

You've been hanging with the nicest people
Hammerhead
Some silken slip of evil
Hammerhead

Ooh, ooh
