

## Mr. Sandman

James Reyne

Mr. Sandman, got a good plan  
It's the best plan, don't keep me awake tonight  
Mr. Sandman, got a better plan  
You're the best man to let me sleep tonight

Mr. Sandman, with your sandbag  
It's a big bag dust my bed tonight, yeah  
Mr. Sandman, I'm a big fan  
Number one fan let me crash tonight

Diddy ah diddy, ah diddy ah, eyes on fire  
Diddy ah diddy, ah diddy ah, red eyes tight  
Diddy ah diddy, ah diddy ah, hell I'm wired  
Diddy ah diddy, ah diddy ah, oh God, it's morning light

Hey, nightmare you might scare  
I don't care when I'm there  
You make the demons in my dreams seem fair  
It's a real hard yakka

In a dreamland, it's a clean land  
It's the best land I'm going tonight  
In a dreamworld, big, tin world  
It's a mean world but I'm staying tonight

Hey, nightmare you might scare  
I don't care when I'm there  
You make the demons in my dreams seem fair  
You make the demons in my dreams seem fair  
It's a real hard yakka

Got the pilot with the pistol, got the gun  
Took a rifle to the market, having fun

Hey, nightmare you might scare  
I don't care when I'm there  
You make the demons in my dreams seem fair  
You make the demons in my dreams seem fair
