

Breaking Hearts

James Vincent McMorrow

You can stop your crying, I'm never coming back..
You can stop your crying, just walk down the tracks again.
I just can't take the pressure, it's all too much for me.
I just can't take the pressure, so please just let me be.

See I've been, breaking hearts, for far too long,
Loving you, for far too long,
Making plans now, for far too long.
Yes, I've been breaking hearts, for far too long,
Loving you, for far too long,
It's time I left, it's time I'm moving on.

I'm gonna find a city, call the streets my own.
I'm gonna find a city, drink until it's gone.
The girls there, look so pretty, treat me, oh, so well.
The girls there look so pretty, they're all just empty shells t
o me.

See I've been, breaking hearts, for far too long,
Loving you, for far too long,
Making plans now, for far too long.
Yes, I've been breaking hearts, for far too long,
Loving you, for far too long,
Time I left, it's time I'm moving on.

When I need the shelter, I'll know just who to call.
When I need the shelter, I'll be knocking on your door.
But when it comes to dying, I'll do it on my own.
I've never been too clever, I've always just hung on.

See I've been, breaking hearts, for far too long,
Loving you, for far too long,
Making plans now, for far too long.
Yes, I've been breaking hearts, for far too long.
Loving you, for far too long,
It's time I left, it's time I'm moving on.
