Nothing but love gives the world some meaning Nothing but love is the drug of healing lover be soft lover be bold earthquake avalanche volcano

Nothing but love
I've got nothing but love
Nothing but love stops the mind from grinding
Nothing but love flushes hearts from hiding
Deeper we dive
Nowhere to hide
earthquake avalanche volcano

Nothing but love fills the hole I'm hiding Nothing but love from the well we're drinking into the highs deal with the lows earthquake avalanche volcano

for there's no answers only dancers for love me now, i'll pay the cost Nothing but love
I've got nothing but love
Nothing but, Nothing but love!
I've got nothing but love!
I've got nothing but love!
Nothing but, Nothing but love!
Nothing but love!
