

# Ring The Bells

James

Ring ring the bells  
Wake the town  
Every one is sleeping  
Shout at the crowd  
Wake them up  
This angers deeper than sleep

Got to keep awake to whats happening  
I can't see a thing through my ambition,  
I no longer feel that God is watching over me  
Got to tell the world we've all been dreaming  
This is not the end, a new begining  
I no longer feel that God is watching over me

Break break the code  
Concentrate  
Let the doors swing open  
See through all your walls  
All your floors  
Now your in deeper than sleep

Got to keep awake to whats happening  
I can't see a thing through my ambition  
I no longer feel that God is watching over me  
Got to tell the world we've all been dreaming  
This is not the end, a new begining  
I no longer feel that God is watching over me

When you let me fall  
Grew my own wings  
Now I'm as tall as the sky  
When you let me drown  
Grew gills and fins  
Now I'm as deep as the sea  
When you let me die  
My spirit's free  
There's nothing challenging me.
