

## Sayonara

James

Sayonara  
I must be dreaming  
For rain  
Sayonara I must be dreaming  
For ever  
You excite enough faith  
For me  
Sayonara  
I must be dreaming  
They sing  
Sayonara  
I must be dreaming  
We are singing  
Some swing  
Who loved crying  
Fear and laughter  
Sway end and swing
