

Sky Is Falling

James

Tear down the forests, replace them with sky-highs
Pumping out sewage into the seas
Suck up the oil slicks, hollow out mountains
This planet's so sick, it's ready to heave
Don't look up, the sky's falling
Don't look up, the sky's falling
Don't look up, the sky's falling
Falling on me
Fall, fall, falling on me

JCB fingers, tearing at her lifeline
Greedy metal fingers, tearing at her heart JCB fingers, tearing at her lifeline
Metal fingers, tearing at her heart

Rig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Dig-a-rig-a-rig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding

Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Dig-a-rig-a-rig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding

My Mother
Nature has taken a turn for the worse
She's violated, and man is the name of her curse
The winds are screaming, the sky is bleeding red tears
Don't look up, the sky is falling
Don't look up, the sky is falling
Don't look up, the sky is falling
Falling on me
Falling on me

The oceans are cesspools of chemical compounds,
Plastic containers, industrial waste
Melt down the ice caps, wear out the o-zone
Everybody's losing this in-human race
Don't look up, the sky's falling
Don't look up, the sky's falling
Don't look up, the sky's falling
Falling on me
Fall, fall, falling on me

Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Dig-a-rig-a-rig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding

Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding
Dig-a-rig-a-rig-a-dig-a-dig-a-dig-a-ding-ding
Rig-a-dig-a-dig-a-dig-a-dig-a-dig-a-ding-ding

Falling on me
Falling on me
