Sound

James

Ape your father's sins, your mother's mood swings To perfection Fall into a spin, shed another skin Strip away all your protection

Laugh at the wonder of it all
Laugh so loud you break the fall
And you see the gathering clouds
Cry at the sadness of the world
Cry so long you break it's cold
And you hear the gathering sounds

Do everything you fear In this there's power Fear is not to be afraid of

Laugh at the wonder of it all Laugh so loud you break your fall And you hear the gathering sounds

Come, dip on in Leave your bones, leave your skin Leave your past, leave your craft Leave your suffering heart
