

## Strangers

James

Found a message in the sand  
It read, "just do the best you can  
This worlds not how I planned  
You're on your own  
No one can hear you  
They're just talking all the time  
There's the world  
And you're outside  
Your home's hard to find  
Your home's hard to find

Worn down by strangers  
All you need is a friend  
You've been worn down by strangers  
This is not the end

Guess it's hard to settle down  
when love's been spread all around the town  
I'm no stranger to this room  
My highs just serve to bring me down  
I hope to change now  
From a sorry state of mind  
I had hoped for heart to heart  
My heart's hard to find  
My heart's hard to find

Worn down by strangers  
All you need is a friend  
You've been worn down by strangers  
This is the end
