

Why So Close

James

Why so close
Big boys in black hats
Cowboys with white guns
White guns shoot blue white
Blue white baptism
No buffaloes
No Indians
No more buffaloes

Red sky is falling
Blue blood no stalling
White heat will strip you
No time to run far

Ivan's got a wall of lead 'round his house
Nobody can get in or out
Running out of food for ammunition
Frightened of the darkness
Sending out scouts

Why stand the fire so close
Why stand the fire so close
Why stand the fire so close
Why... so close
So close

Wayne's got a wall that's much more subtle
Wore headphones since he was born
Watches Ivan through dark glasses
Hands on his gun waiting for the storm

One false move and we all fall down
No futile games, no such fun
Here's your ticket to our party
That's what you get for playing with a gun

Six-guns so close
So close

Ivan's got a wall of lead 'round his house
Nobody can get in or out
Running out of food for ammunition
Frightened of the darkness
Sending out scouts

Wayne's got a wall that's much more subtle
Wore headphones since he was born
Watches Ivan through dark glasses
Hands on his gun waiting for the storm

Why stand the fire so close
Why stand the fire so close
Why stand the fire so close
Why...

Hey hey hey
Hey hey hey

Hey hey hey
