

# Why So Close

James

Why so close  
Big boys in black hats  
Cowboys with white guns  
White guns shoot blue white  
Blue white baptism  
No buffaloes  
No Indians  
No more buffaloes

Red sky is falling  
Blue blood no stalling  
White heat will strip you  
No time to run far

Ivan's got a wall of lead 'round his house  
Nobody can get in or out  
Running out of food for ammunition  
Frightened of the darkness  
Sending out scouts

Why stand the fire so close  
Why stand the fire so close  
Why stand the fire so close  
Why... so close  
So close

Wayne's got a wall that's much more subtle  
Wore headphones since he was born  
Watches Ivan through dark glasses  
Hands on his gun waiting for the storm

One false move and we all fall down  
No futile games, no such fun  
Here's your ticket to our party  
That's what you get for playing with a gun

Six-guns so close  
So close

Ivan's got a wall of lead 'round his house  
Nobody can get in or out  
Running out of food for ammunition  
Frightened of the darkness  
Sending out scouts

Wayne's got a wall that's much more subtle  
Wore headphones since he was born  
Watches Ivan through dark glasses  
Hands on his gun waiting for the storm

Why stand the fire so close  
Why stand the fire so close  
Why stand the fire so close  
Why...

Hey hey hey
