Why So Close

James

Why so close
Big boys in black hats
Cowboys with white guns
White guns shoot blue white
Blue white baptism
No buffaloes
No Indians
No more buffaloes

Red sky is falling Blue blood no stalling White heat will strip you No time to run far

Ivan's got a wall of lead 'round his house Nobody can get in or out Running out of food for ammunition Frightened of the darkness Sending out scouts

Why stand the fire so close Why stand the fire so close Why stand the fire so close Why... so close So close

Wayne's got a wall that's much more subtle Wore headphones since he was born Watches Ivan through dark glasses Hands on his gun waiting for the storm

One false move and we all fall down
No futile games, no such fun
Here's your ticket to our party
That's what you get for playing with a gun

Six-guns so close So close

Ivan's got a wall of lead 'round his house Nobody can get in or out Running out of food for ammunition Frightened of the darkness Sending out scouts

Wayne's got a wall that's much more subtle Wore headphones since he was born Watches Ivan through dark glasses Hands on his gun waiting for the storm

Why stand the fire so close Why stand the fire so close Why stand the fire so close Why...

Hey hey hey Hey hey hey
