

# Take Me Home Tonight

Jamestown Story

I feel a hunger  
It's a hunger that tries to keep a man awake at night.  
Are you the answer?  
I shouldn't wonder when I feel you whet my appetite  
With all the power you're releasing  
It isn't safe to walk the city streets a  
Anticipation is running through me  
Let's find the key and turn this engine on.

I can feel you breathe  
I can feel your heartbeat faster

Take me home tonight!  
I don't want to let you go till you see the light!  
Take me home tonight!  
Listen honey  
Just like Breanne said, "Be my little baby"

I get frightened in all this darkness  
I get nightmares  
I hate to sleep alone  
I need some company  
A guardian angel to keep me warm when the cold winds blow!

I can feel you breathe  
I can feel your heartbeat faster. . . .  
Be my little baby!

Just like Breanne said
