

Whenever You Need

Jamestown Story

I've waited for so long, hoping for a sign
That the timings right for us
I've been here far too long, cause I don't have the guts to say
All the things inside my head

Please give me a chance, cause ill be here for you
Whenever you need, whenever you need
Just hold on to my hand, and please follow me
Cause ill be there whenever you need

I have tried to hide, all my thoughts so long
Maybe now ill finally speak
Cause I've been holding on, to the thought that I might say
All the things inside my head
