You're Going Down

Jamestown Story

So you say that you have nothing to give but you give me a way
to say
You're much too uncontrollable
Give it a rest and let me show you how it should be, and how it
 could be, if you didn't
Sell yourself short with things that distort all reality, banal
ity should be your new nickname
Your appearance may pass, but that will never last So before I
witness tragedy I've got to cut all ties
You've been searching way too hard to find a way to take away t
he pain
You've inflicted on yourself, get help, but stay away from me
All the drugs might keep you up but you're going down
So yeah I've got some hell to pay, for my mistakes, and all tha
t I've taken for granted
Maybe I'll wake up wiser, maybe its time to get out of these ha
bits they're so toxic that I can't breathe
Sorry just won't do, I'm sorry I'm sorry I'm sorry
Save it it's no use, I'm sorry I'm sorry
This is who you are, this is what you are
 (Cause it goes on and on and on and on and on)
And it goes on and on and on and on and on
It can't go on and on and on and on and on
Oh it can't go on and on and on....
