

Heaven Bound

Jamey Johnson

The first time I held your hand
I knew I was a lucky man
Felt like god forgave me for all the wrong

I keep tell'n myself
That I'm heaven bound

Sometimes it sure gets cold
In the fall on Music Row
But it's worth it if it gets me by somehow

I keep tell'n myself
That I'm heaven bound

Cause it seems like we don't ever
Have near enough time together anymore

Naw these lonely nights without you
Will go away when I can hold you in my arms

I keep tell'n myself
That I'm heaven bound
Keep tell'n myself
That I'm heaven bound
I keep tell'n myself
