

# All At Sea

Jamie Cullum

I'm all at sea.  
Where no one can bother me  
Forgot my roots  
If only for a day  
Just me and my thoughts  
Sailing far away

Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to, all at sea

I'm all at sea  
Where no one can bother me  
I sleep by myself  
I drink on my own  
I don't speak to nobody  
I gave away my phone

Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to, all at sea

Now I need you more than ever  
I need you more than ever now  
If you don't need it every day  
But sometimes don't you just crave  
To disappear within your mind  
You never know what you might find  
So come and spend some time with me  
And we will spend it all at sea

Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to, all at sea
