

Can't Feel My Face

Jamie Cullum

And I know she'll be the death of me
At least we'll both be numb
And she'll always get the best of me
The worst is yet to come
But at least we'll both be beautiful and stay forever young
This I know, this I know

She told me, "don't worry about it"
She told me, "don't worry no more"
We both knew we can't go without it
She told me you'll never be, be alone, oh, oh, woo

I can't feel my face when I'm with you
But I love it, but I love it
So I can't feel my face when I'm with you
But I love it, but I love it

And I know she'll be the death of me
At least we'll both be numb
And she'll always get the best of me
The worst is yet to come
All the misery was necessary when we're deep in love
Yeah I know, yeah I know

She told me, "don't worry about it"
She told me, "don't worry no more"
We both knew we can't go without it
She told me you'll never be, be alone, oh, oh, woo

I can't feel my face when I'm with you
But I love it, but I love it
So I can't feel my face when I'm with you
But I love it, but I love it
I can't feel my face when I'm with you
But I love it, but I love it
So I can't feel my face when I'm with you
But I love it, but I love it
So I can't feel my face when I'm with you
But I love it, but I love it
