

# Everlasting Love

Jamie Cullum

Hearts gone astray  
Keeping up when they go  
I went away  
Just when you needed me so  
You won't regret  
I'll come back begging you  
Don't you forget  
Welcome love we once knew

Open up your eyes  
Then you'll realize  
Here I said was my  
Everlasting love  
Need you by my side  
Come and be my bride  
You'll never be denied  
Everlasting love

Hearts gone astray  
Keeping up when they go  
I went away  
Just when you needed me so  
You won't regret  
I'll come back begging you  
Don't you forget  
Welcome love we once knew

Open up your eyes  
Then you'll realize  
Here I said was my  
Everlasting love  
Need you by my side  
Come and be my bride  
You'll never be denied  
Everlasting love  
From the very start  
Open up your heart  
Feel the love you've got  
Everlasting love

This love will last forever  
This love will last forever 2x

I need love to last forever...
